

We are looking for high energy, successful and professional candidates who understand the benefits of the health/fitness business and have a goal of a healthy life style for all. If you are passionate about fitness, have existing clientele and would like space to train your client on your time on your terms, then our enterprise agreement may be the perfect solution for your growing training business.

Job Requirements

- Pay a flat monthly rate to the fitness club to train your clients at your convenience
- Help the fitness club enforce its rules and regulations
- Assist in keeping the club clean and orderly (sanitize equipment, rerack weights)
- Communicate any equipment problems, member concerns, or suggestions to the Club Owner.

Required Education, Certifications and Experience

- Nationally recognized personal training certification from NSCA, NASM, ACE, ACSM, ISSA or college degree in a health/fitness related field. Other certifying bodies may be considered.
- Current CPR/First Aid/AED certification, required.
- Fitness Instructor Professional Liability Insurance

Benefits

- Receive direct payments from your Clients for training
- Set your own prices and hours
- No commission split with the gym
- You focus on your clients
- Avoid the costs of owning your own gym
- No quota to reach
- Great way to get client referrals
- Train more clients in one place
- Reputable gym location gives your business a professional appearance
- Access to state-of-the-art fitness equipment to train your clients
- Access to free Wi-Fi, air conditioning, bathrooms, shower, ample parking
- Ability to train 24/7 with secure access
- Discounts on memberships available for you and your clients
- Month-to-month contract
